

CLASSROOM TOUCH PANEL + ZOOM

SCHEDULED MEETING QUICK START

SIDE 1 - START AND CONFIGURE

YOU WILL USE TWO INTERFACES

ZOOM

Join and run the meeting.

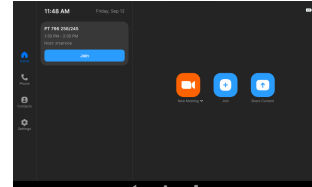

ROOM CONTROLS

Set location, source, volume, and camera.

1 Join the scheduled meeting

ZOOM

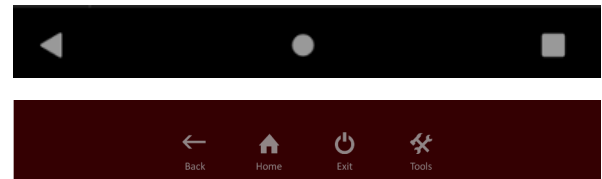

On the Zoom Home screen, locate the scheduled meeting and tap Join. If the meeting is already open, continue to Step 2.

2 Open the room setup

ROOM CONTROLS

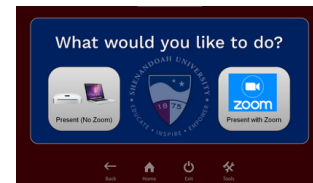

Tap the Android Back triangle. When the Shenandoah blue screen appears, tap Home.

3 Choose Present with Zoom

ROOM CONTROLS

Tap Present with Zoom to configure the room for this class.

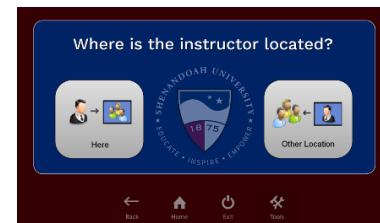

4 Choose the instructor location

ROOM CONTROLS

Here - the instructor is presenting in this room. Continue to Step 5.

Other Location - the instructor is elsewhere. Skip Steps 5 and 6 and continue on Side 2.

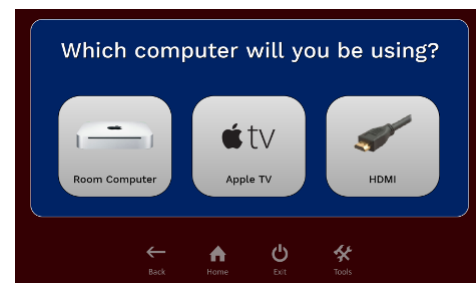

5 Select the presentation source

ROOM CONTROLS

If you selected Here, choose the source you will present:

Room Computer, Apple TV, or HDMI.

The room will finish configuring and Zoom will open automatically.

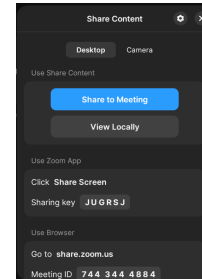

CLASSROOM TOUCH PANEL + ZOOM

SCHEDULED MEETING QUICK START

SIDE 2 - SHARE AND CONTROL

6 Share the selected source to the meeting **ZOOM**

In Zoom, tap Share Content, then tap Share to Meeting. This sends the selected room source to both the classroom display and remote participants.

Tap Share to Meeting

Use View Locally only when you do not want to send the source to remote participants.

7 Adjust room volume or camera **ROOM CONTROLS**

Tap the Android Back triangle to leave the Zoom screen and return to Room Controls.

Speakers - room playback volume.

Lapel Mic - instructor microphone volume.

Camera Controls - move, zoom, or recall a view.

8 Return to the Zoom meeting **ROOM CONTROLS**

Tap the blue Zoom button in Room Controls whenever you need the Zoom meeting controls again.
